

I  
Love  
Water

Drinking  
water calms  
my mind

Drinking  
water gives  
me more energy

Water  
Refreshes and  
Replenishes  
me.

My skin looks  
fabulous because  
of the water  
I'm drinking.

I drink enough  
water each  
day 

Drinking water  
makes me  
feel great 

Drinking water  
flushes fat  
from my hips
